At the request of the Office of the Special Trustee, the Distribution date originally scheduled for May 29 has been revised to May 22 to accommodate a system upgrade.

The distribution schedule was developed to meet our mutual goal of maximizing mineral revenues paid to individual Indian owners by the 1st distribution of the month. We will make every effort to adhere to this schedule. However, if circumstances warrant a change, we will contact you as soon as possible to coordinate revised dates. Please share this information with you staff and contractors, as appropriate. If you have any questions, please call Cheri Baker at 303-231-3137.
