Consolidated Federal Oil and Gas and Federal and Indian Coal Valuation Reform

Document: ONRR-2012-0004-0092

Comment from Jeff Wass,

Submitter Information

Name: Jeff Wass

General Comment

This sounds like another attempt to spread the wealth. The Government continues to funnel taxpayers hard earned money into failed programs supported by the East and West coast. instead of fighting to keep our most abundant and cheapest resource in the ground why don't the idiots in Washington spend some of our money on Clean Coal Technology???????????? I have lost all faith in good decisions coming out of this Government.....
