General Comment

I live in Wyoming, 50 miles from the Powder River Basin coal deposits and AM ENTIRELY AGAINST the repeal of regulations that prevent these companies from under valuing their coal sales via the shell-game of subsidiary shell companies. This is blatant fraud & these are not regulations, but PROTECTIONS so that the government gets the proper royalties from public-owned assets. Don't let this Administration bully us into repealing this important reform!

KEEP THE CONSOLIDATED FEDERAL OIL AND GAS AND FEDERAL AND INDIAN COAL VALUATION REFORM IN PLACE!
