

Appendix F

Adjustment Reason Codes

Use this appendix to determine the proper adjustment reason codes to use on your Forms ONRR-2014.

Description	Use	Code
Other adjustments	To adjust line entries previously reported with coding or typographical errors when the adjustment results in additional royalty due.	10
Retroactive mandatory price adjustments	To adjust the price of a previously reported product for which a law, regulation, or lease term requires a pricing change.	31
Audit Adjustment	To report adjustments based upon an audit.	17
