IN REPLY REFER TO:

NOV 13 2000

Dear Operator:

In our "Dear Operator Letter" dated August 30, 2000, the Minerals Management Service (MMS) notified you of specific onshore Federal lease(s) in Wyoming that were selected to participate in a Royalty in Kind (RIK) program beginning October 1, 2000. After further evaluation, we determined that several of these properties involved trucked wells and should not participate in the RIK sale.

The properties shown in the enclosure will be payable in value rather than in kind effective October 1, 2000, in accordance with applicable lease requirements and regulations. You must continue to report crude oil production and royalties to MMS on the Oil and Gas Operations Report (OGOR) or the Monthly Report of Operations (Form MMS-3160) and Report of Sales and Royalty Remittance (Form MMS-2014) under current requirements and frequencies as specified in MMS regulations. Please notify the appropriate working interests of the changes in royalty status for these leases.

Please visit our website at [www.rmp.mms.gov/RIKweb/documentsdoc/documents.htm](http://www.rmp.mms.gov/RIKweb/documentsdoc/documents.htm) for information regarding properties participating in RIK sales.

Sincerely,

Theresa Walsh Bayani
