

How to Use the “ONRR Oil and Gas Initial ROW/RUE Rental Payments” Form on Pay.gov

You may pay first-year rent on Pay.gov, by Fedwire or by Automated Clearing House (ACH). You may *not* pay first-year rent using a credit card.

Important Facts about Timing Your Payments

A direct debit authorization must be received before 8:55 pm Eastern Time if settlement is to occur on the next business day. ACH payments require overnight batch processing by the banking industry, which delays the receipt of funds and deposit information by ONRR. National holidays also affect the timing of payment batch processing. **Make sure to time your transaction to meet our payment deadlines or you may be subject to late payment interest charges.**

Frequently Asked Questions (FAQ)

Why can't I use a credit card to pay first year rent?

First year rental payments are now made directly to ONRR—*not* to BSEE or BOEM—and **ONRR does not accept credit card payments**. According to 30 CFR 1218.51, you must make payments to ONRR electronically to the extent it is cost effective and practical. Electronic payment methods include Pay.gov, Fedwire, and ACH. ONRR encourages payors to use Pay.gov to ensure accuracy and timeliness. Using Pay.gov enables ONRR to match money with reports and invoices more easily and faster

What is Pay.gov?

Pay.gov is a free, secure, web-based electronic option to make royalty, invoice, and ROW/RUE rental payments to ONRR. Pay.gov is available 24 hours a day, seven days a week (holidays included) for customers to submit payments. (**Note:** Collection transactions are processed according to ACH schedules. Read the boxed message above.)

Is there a limit to how much I can pay on Pay.gov?

Yes, each payment must be less than \$100,000,000.00.

What if my bank won't allow Pay.gov to withdraw funds from my account?

Give your bank the Pay.gov Agency ID number for the ONRR ROW/RUE form, which is 1417000105. That will allow your bank to recognize and allow Pay.gov withdrawals for ONRR.
