BLM Onshore Order

Onshore Orders

Order No. 1 - Approval of Operations, which amends **Order 1** (March 7, 2007): This Order provides procedures for submitting an Application for Permit To Drill and all required approvals of subsequent well operations and other lease operations.

Order No. 2 - Drilling: This Order provides requirements and standards for drilling and abandonment.

43 CFR 3173, which replaces **Order 3**, establishes standards to ensure that oil and gas are properly and securely handled to prevent theft and loss, and to enable accurate measurement and production accountability.
