Note: Included in the state disbursements is the \$313,999 disbursed to four coastal states and eligible political subdivisions – or counties and parishes – under provisions of the Gulf of Mexico Energy Security Act of 2006 (GOMESA). GOMESA provides that the four Gulf coastal states (Alabama, Louisiana, Mississippi and Texas) and their eligible coastal political subdivisions receive 37.5 percent of the oil and gas qualified leasing revenues from certain Outer Continental Shelf areas.

Also included in the state disbursements is \$3.7 million disbursed directly to individual counties in nine states from geothermal energy production. This list also includes 8(g) payments to states. The Department's Budget-in-Brief that accompanies the President's Budget includes 8(g) in the Grants and Payments appendix, not in the Mineral Revenue Payments to States appendix. Additional information about the disbursements can be found on ONRR's website at: <http://statistics.onrr.gov>
