Consolidated Federal Oil and Gas and Federal and Indian Coal Valuation Reform

Document: ONRR-2012-0004-0043

Comment from Heidi Pulliam,

Submitter Information

Name: Heidi Pulliam

General Comment

I cannot understand why our elected officials feel a need to force their beliefs (not ours) down our throat. Last time I looked they work for us and we pay for all of the wasteful spending. Coal is cleaner than flying private jets to attend meetings and vacations. Stop the waste now! My vote will be for the party that listens to its constituents, not the latest "in thing" like global warming.
