

Instructions to Payors and Operators for the Form ONRR-4444

Addressee of Record Designation for Service of Official Correspondence

“Official Correspondence” includes, but is not limited to, Payor Letters, Reporter Letters, Order Letters, Courtesy Notices, invoices, interest bills, and Notices of Noncompliance.

Refer to the *Code of Federal Regulations*, 30 CFR, Subpart H—Service of Official Correspondence, §1218.500 through §1218.580, located at <http://www.ecfr.gov/cgi-bin/text-idx?SID=c20a0a14c4040093934c9beb8d42eb3c&node=sp30.3.1218.h&rgn=div6>, or contact ONRR Financial Management staff at 1-800-525-7922 for further information.

Payors/Operators *must* send an original, signed Form ONRR-4444 to ONRR to authorize *any and all* official address and contact changes.

General Guidelines—Please Read!

- You must put a current Payor Code or Operator Number on the Form ONRR-4444.
- You may type information into the electronic Form ONRR-4444 and print it OR print a blank form and write it in manually. Either way, **sign and mail the original form** to ONRR at the mailing address at the end of these instructions. Please be sure all entries are complete and legible.
- Each Form ONRR-4444 can have *only one* Address of Record. If your company handles correspondence in different locations, *each* address requires a separate 4444.
- Each Form ONRR-4444 can have *only one* Addressee of Record, which must be a company employee—*not* a contractor.
- Provide *only one* Address and/or Addressee of Record for any correspondence type. One copy of any correspondence from ONRR will be mailed to the most recent Address and Addressee of Record for that correspondence type.
- Changes to an official Address and/or Addressee of Record **cannot** be made by phone, or by e-mail, or by any ONRR analysts or other points of contact.
- The Form ONRR-4444 **cannot be used for company name changes or mergers**. You must initiate those changes with BLM or BIA, whichever issued your lease(s).
- If your company does not have a current, signed original Form ONRR-4444 on file with ONRR, your address and addressee of record will default to the latest information in our financial data system.
- Form ONRR-4444 data does *not* update the contact data used for personal (non-correspondence) interactions with ONRR.

The instructions below describe how to complete the Form ONRR-4444. For ease of reference, each data item is entitled exactly as it appears on the 4444.

New or Modification (checkboxes at the top of the form)

Check the action that best describes the data being submitted on this form.

- If you are a **new** operator or payor, check the **New** box and enter the **Effective Date** when you/your new Company ID becomes responsible for the receipt of official correspondence. (This may be the current date.)
 - If you already have a Company ID # and/or data in our system, check the **Modification** box and enter the **Effective Date** when the changes on this form become effective.
-

Effective Date

Enter the date when the requested changes will go into effect. If you do not enter an Effective Date, we will enter the date on which we receive the signed Form ONRR-4444.

Note: Although it is permissible to set up an Effective Date in the future, in no case can an Effective Date be set prior to the date we receive your signed 4444.

Company Name

Enter the legal name of the company or reporting entity for which this action applies—this name *must* be correctly associated with the Company ID # assigned by ONRR. If these items do not match, we cannot process your updates.

Note: Company name changes and mergers *cannot* be entered using a Form ONRR-4444. You must initiate those types of changes through BLM or BIA.

Payor Code or Operator Number

Enter a valid Payor Code or Operator Number; which must be a five-character ID assigned by ONRR. We cannot process any Form ONRR-4444 that does not include a current Payor Code or Operator Number.
